Welcome!

A quick note before you start printing.

Print what you need: Every page is US Letter size. Print the whole pack, or just today's activity - pages are made to stand alone.

Coloring pages: Crayons, markers or pencils all work. For markers, print on slightly thicker paper if you can.

Mazes & puzzles: Answers for every maze and word search are in the Answer Keys at the back - no peeking!

Tags & cards: Cut along the dashed lines. Card stock works best for the valentine cards and bingo tiles.

Bingo: Print the 6 cards and the calling tiles. Buttons, coins or dry beans make great markers.

Kindness Countdown: One heart to color for each day from February 1 to 14, plus one small kind act to do every day.

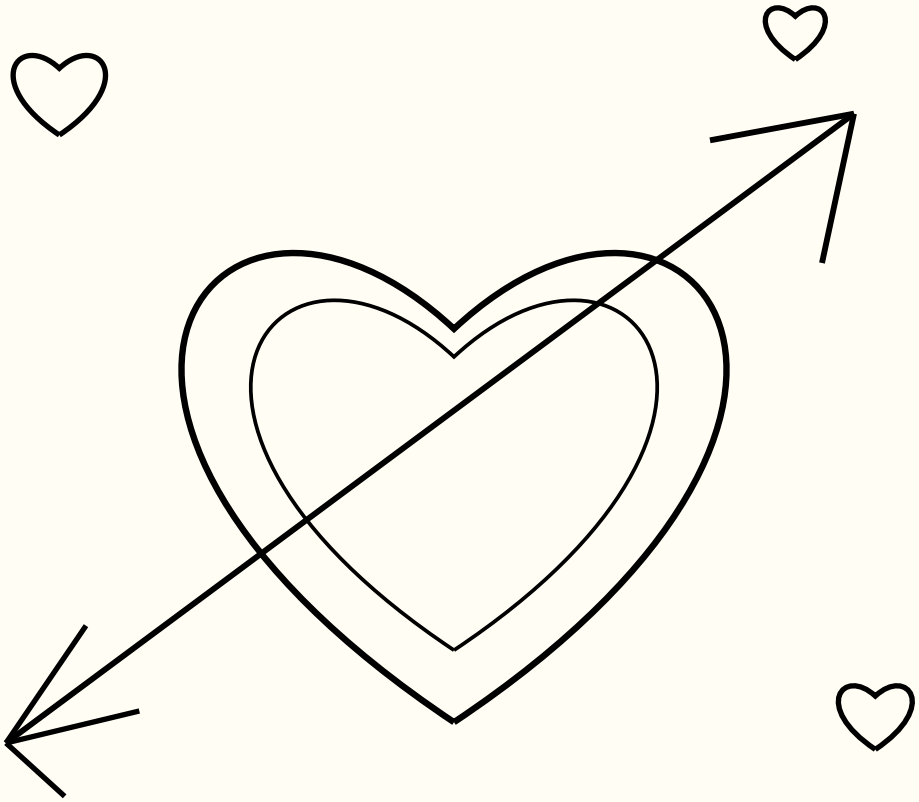

Personal Use: Print pages as often as you like for yourself and your household. Please don't share or resell the digital file.
